MILESTONE ACADEMY

CBSE | AHSEC Curriculum

An integrated academy for HS - BOARD, NEET, JEE

...Only institute in north east where individual guidance is provided

"Humble beginning to do something for development of society"

OUR MISSION & VISION

To provide quality education to the people of our society with minimum fee structure so that there is no burden for parent's to achieve goal of becoming doctor or engineer by their wards.

WHY MILESTONE ACADEMY

Milestone Academy provides two years Integrated Course for NEET and JEE along with the preparation for BOARD Exam, for class X passed students. In this course each topic of each subject will be taught from very basic level to NEET/JEE level by every teacher.

So students will not feel any burden to study separately for BOARD and NEET/JEE. Board syllabus will be separated before 2/3 months of the final board examination.

Doubt Classes

Doubt clearing sessions are as important as Regular classes. If doubts of student are not cleared, student will lose interest in subject and growth of subject will stop. Our Academy provides doubt-classes from class-room faculty. We encourage students to ask doubts from any source/-book.

Library

The Academy will provide well designed library where a student can study any number of hours, creates an study environment. Library helps those students who can not study when they are alone at home.

Test Pattern & Analysis

The Academy conducts two MOCK tests for entrance exam and one board pattern exam every month, regularly on the basis of the syllabus covered during the time.

Study Material

We provide well exposed and exhaustive study material which helps the students to perform well in NEET / JEE & board examination.

Parent-Teacher-Interface

Performance review session with the parent of each student will be conducted after every regular/grand test to share the actual performance of their ward.

Motivational and Orientation Session

These sessions will be conducted to improve student's mental strength, I.Q. and quick response to solve tricky problems easily

Regular Reward System

Regular rewards are given after every grand test to raise the competitive spirit among students.

Regular Feedback System

This system is organized to inform parents regarding their child performance, discipline and behavior in the class on regular basis.

Hostel Facility

The Academy has Homely environment Hostel facilities for both Boys' and Girls'.

Hygienic accommodation and high nutritious food is required to create a congenial and healthy living environment which will support the amount of effort the students will need to put in during the preparation phase. We will provide the same to ensure that students are fit and they can concentrate solely on their studies.

Fee Structure

For Board

- a) Admission Fees : Rs. 10,000/-
- b) Monthly Fees : Rs. 1500/-

Voluntary Visiting Faculties

- 1) Golla Bhaskar Rao
Ex Faculty- Ajmal Super 40,
Aakash-Kolkata.
2. Dr. Akhilesh Verma
Senior professor Cotton University.
3. Durgesh Singh
Ex Faculty- Career Point, Kota.

Best Combination of Faculties :

PHYSICS

Ranga Raju

Ex faculty- Sri Chaitanya, Bangalore
13 years experience

Abul Azad

Ex faculty- Ajmal Super 40, Potential
10 Years teaching experience

CHEMISTRY

Shiva Singh

B tech-IIT Kharagpur
10 years teaching experience

Kusha Jyoti

Ex faculty-Aakash
7 year's teaching experience

BIOLOGY

Rakhi Kumari

Ex faculty- Aakash
4 years teaching experience

Dr. Nur Hussain

MBBS, GMCH
5 years teaching experience

MATHEMATICS

Bishwajit Baishya

B tech-IIT Guwahati
7 years teaching experience
